NASA MSI

Tuesday, April 20, 2021 9:27 AM

It is essential to organize, plan and prioritize proposal activities.

Todo:

- Prep proposal draft
- Reach out early:
- Transcript
- Letter of Recommendation
 - Identify
 - Contact
 - Create a summary of work
- Prep email to department head for AOR support
- Prep email to NASA Technical Advisor
- Ask Dr. Beksi to register on NSPIRES

NASA MSI docs to read:

Solicitation

Step-by-step

Opts by center

General questions:

- Is UTA registered on SAM? Probably yes.
- Who is the AOR (authorized organizational representative) here at UTA?

Questions for NASA's Technical Advisor:

- Project requirements
- Data presentation, formatting and storage requirements
- Technical depth needed for the proposal

•

Proposal Requirements:

The NASA Technical Adviser associated with the opportunity will provide review and guidance on the activities in his or her lab. Also, proposals shall clearly and concisely describe:

- The relevance of the proposed work to NASA's currently funded research priorities as described in the funding opportunity;
- The relevance of the proposed work to the interests and abilities of the Institution's candidate; and
- How the work will increase the capacity of executing cutting-edge research at the institution.

Proposal Package

Proposals shall include all the items listed below, appropriately labeled, in the exact order specified:

9/13/21, 11:13 AM OneNote 1. Proposal Cover Page (including Project Summary, Program Specific Data and Data Management Plan) 2. Impact Statement 3. Faculty Adviser/PI Curriculum Vitae (CV) 4.
